

Evaluating the Harmful Sexual Behaviour Project – The impact for Norfolk and Waveney

- Bringing professionals together to discuss new approaches to responding to harmful sexual behaviour.
- Dissemination of the recent NSPCC HSB audit outcomes and HSB service evaluation projects
- Opportunity for professionals to share their views to shape the future of the project.

**Special Guest Speaker Pat Brannigan,
Medical Anthropologist**

Currently working with the NSPCC developing approaches and interventions to tackle child sexual abuse.

24.11.2020

9.00am – 12.30pm
