

Partner and Community Focus Team

The Team consists of:

Senior Managers

Responsible for leading the team to ensure early intervention and preventative services are provided to children, young people and their families which promote inclusion in the community as well as developing effective strategic partnerships with agencies that support this .

Partner and Community Focus Manager

To line manage a district team of workers to ensure there is adequate and accessible universal services for children and their families. Working at a strategic level with partner agencies to empower the right agencies to work together to provide the most appropriate services to children and families.

Community Focus Officer

To work with local Voluntary Community and Social Enterprise organisations and individuals in communities to help them build capacity and resilience for children and families. To respond and work to address local needs and priorities by the setting up of new groups, identifying gaps, facilitating local networking, information sharing, identifying funding opportunities so that families can be supported to remain on the universal pathway.

Partner Focus Officer

To support Partner Agencies who work with children and families in using the Early Help Assessment and Plan, Signs of Safety and Family Network approaches. Enabling them through training, coaching and Information Advice and Guidance to help children and families access the right support at the right time from their universal services and communities

Pathway Advisor and Senior Pathway Advisor

To gain further information from families and partners when a referral has been made to Children's Advice and Duty Service (CADS) but does not require Social Care intervention to ensure the right support is put in place for children and families. To provide information of provide partners with information and guidance on the Family Network Approach and the Early Help Assessment and Plan. The Senior Pathway Advisor works with and supports the Pathway Advisors in ensuring that partners and families get a timely and supportive response and ensures there are early links built with partner agencies who request and initiate the Early Help Assessment and Plan.
